

MBARARA DISTRICT LOCAL GOVERNMENT

IMPROVEMENT OF HEALTH INFRASTRUCTURE AT RUBAYA HEALTH CENTRE III

Mbarara District Local government with support from Ministry of Health has greatly improved infrastructure development at Rubaya HC III during the financial year 2018/2019.

The District has constructed an Out Patient Department (OPD) using DDEG and PHC Funds. The Project costed about 193 million and was funded from DDEG and PHC grants. The New OPD is shown below.

NEWLY CONSTRUCTED OPD AT RUBAYA H/C III

Ministry of Health Financed the Construction of a Martenate Ward at a cost of 138 million and renovated the old martenate Ward. They further worked on the compound and general beautification of the Health facility as shown below.

NEWLY CONSTRUCTED MARTENATE WARD AT RUBAYA H/C III

UNICEF supported us by constructing the shade at the facility to provide shelter to patients.
